- Sounds great! I love Mexican food!

ACTIVITY 10 | TRACK 5

Derek

What I really like are snacks. You know, peanuts, potato chips, candy. I guess I like things that are salty or sweet. No salads for me — I'd much rather have junk food! Even when I eat a regular meal, I usually add salt. Most foods just aren't salty enough for me.

TRACK 6

Andy

What's my favorite kind of food? I guess I'm a meat-and-potatoes kind of guy. I like to eat steak and hamburgers. I also eat a lot of pasta, French fries, and potatoes. I don't eat very much fish or chicken.

TRACK 7

Amanda

My favorite kind of food? I eat a lot of fruit and vegetables. I love salads. I don't eat very much chicken or meat, but I eat fish once or twice a week.

- Thank you. Bye.

- Not always — not when they're on sale. And I think the quality is better.
- Do you ever buy clothes on-line?
- Not very often. I know that you can find some good prices on-line, but I like to look at clothes and try them on before I buy them.

CHAPTER 9

ACTIVITY 1 | TRACK 42

- What kind of job are you looking for?
- Well, I'm not sure. As you can see from my résumé, I used to work in sales.

- It can be, but I enjoy it!

ACTIVITY 10 | TRACK 45

Do I have any hobbies? Well, I don't think of this as a hobby, but I like sports. If I'm not at work, then I'm probably playing a sport, watching a sport or reading about sports. In the spring and fall, I play soccer. In the winter, I play basketball. And in the summer, I play baseball. My wife thinks I'm crazy. What can I say? It's a lot of fun!

TRACK 46

Dorothy

I have a couple of hobbies. I like to play cards — mostly bridge. I'm pretty good at it, too. I'm better than most of my friends. My other hobby is photography. I'm not very good, but I like taking pictures of nature — trees, flowers, birds — that sort of thing. I'm going to take a photography class this summer to learn more about it.

TRACK 47

Ken

What I like to do most is work on old cars. I don't collect them. I only have one car at a time. But I

like to find an old car in bad shape and then fix it up. You know, replace the parts that aren't working, paint it, polish it. When I finish, the car looks beautiful. I really enjoy doing that.

Hi, there. I'm Timothy. I don't really exercise very much these days. I used to play football at school. Now I just watch it on TV. I don't really have time to go to a gym. I work all day, and I'm too tired to do any exercise after work. After a long day at the office, I just want to go home and relax.

How One Man's Experiment Started a Revolution in Language Learning.

IN 1878 MAXIMILIAN BERLITZ STARTED HIS OWN LANGUAGE SCHOOL IN PROVIDENCE, RHODE ISLAND. THERE HE EXPERIMENTED WITH LANGUAGE LEARNING BY HELPING STUDENTS SPEAK AND UNDERSTAND THE LANGUAGE RIGHT FROM THE BEGINNING—RATHER THAN CONCENTRATING ON RULES OF GRAMMAR AND TRANSLATION.

After several weeks, he found his students had progressed much further than those who studied languages using the more traditional method. Since that time, millions of people have learned to speak a new language using the Berlitz Method®. The cornerstones of the Berlitz Method—an emphasis on speaking, use of native fluent instructors, introducing language in real-life situations—has meant success for people of all ages and interests—from business leaders to homemakers, from students to diplomats.

Introducing the New *BerlitzEnglish™* Program
